2425 North Center Street #169

Hickory, NC 28601

**AUGUST
2020**

President's Column

"STAY POSITIVE, GOOD THINGS WILL HAPPEN."

Hello Newcomers!

Positive vibes.....we need to keep our positive vibes! COVID-19 is still causing havoc and interrupting our lives. I am sure there is light at the end of the tunnel! Gov. Cooper issued an executive order (#15) on July 15th that requires people to wear face coverings and extends current Phase 2 restrictions three weeks. The order requires everyone to wear a face covering when out in public — indoors or outdoors — when distancing is not possible. The extension goes until August 7, which means we will likely hear from Cooper around August 5th. We shall wait and see.

At the most recent BOD meeting, we decided to put together a survey to see how NCV members feel about COVID-19 and NCV activities. Vice-President Rob Herman is heading this activity and you will hear more from him. NCV is using Monkey Survey for this action. The Survey will be sent on or about August 10th. Please take a few minutes to respond. Thanks!

I want to remind members that you are welcome to attend our NCV BOD meetings. At this time, we are meeting via ZOOM. If you would like to "attend" via ZOOM, please contact Adra Kryszczuk (adraellen@yahoo.com) for information to access ZOOM and our meetings.

I am happy to report that NCV will be sponsoring two holes for the Marine Corps League, Catawba Valley Detachment 1163, 11th Annual Marine Cup Classic Golf Tournament. The tournament will be held September 26, 2020 at Lake Hickory Country Club, Catawba Springs Golf Facility. This tournament supports several area charities.

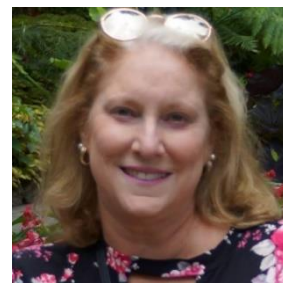

We are happy to announce we have a new sponsor this month. Alan Elrod, Owner and Hair Stylist, Attitude Salon, Union Square, Hickory. Welcome Alan!

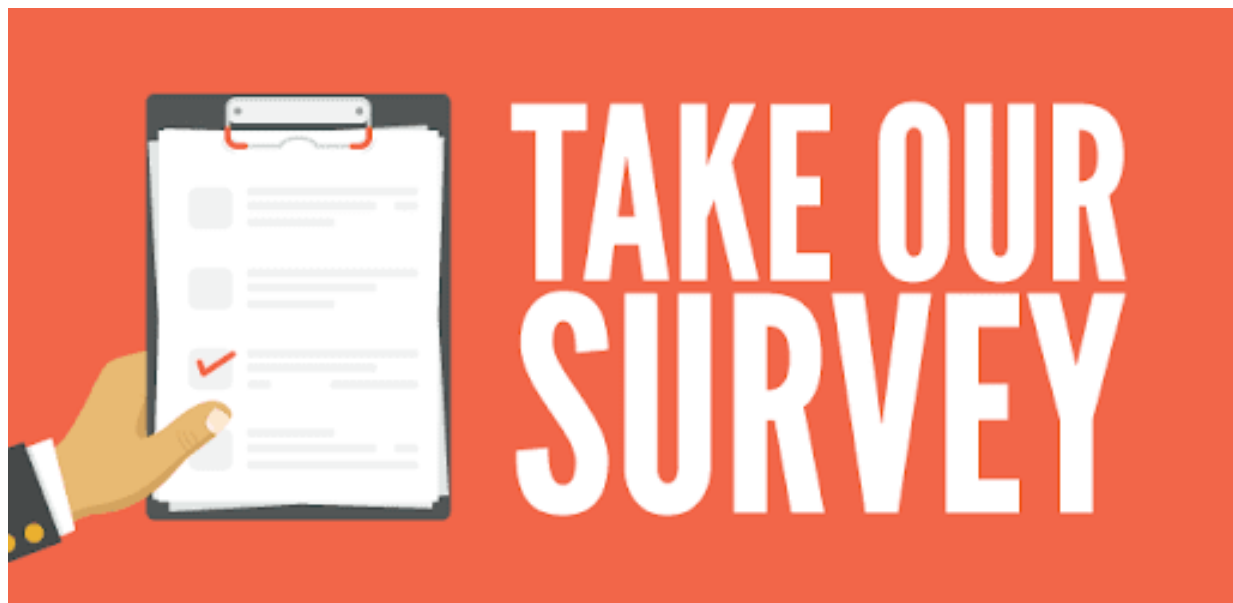

Whatever you do, or are doing, please take good care of yourselves, stay healthy, and be happy!

Don't forget to use our Sponsors if you need services. Hope to be seeing you all at some activities/events soon!

Warm regards,

Cathi Montgomery
President, NCV

Survey of membership on Restarting Activities.

An online survey will be taken **August 5** to provide input to the Board of Directors on memberships desires to get back to our activities and what precautions will they want in place prior to attending a Newcomers function. The survey is only 9 questions and should take less than 3 minutes to fill out.

Gathering the opinions of everyone helps the board plan the timing and activities that are in demand during this ongoing Covid Crisis. Participation is easy. **You will receive an email from Vice President Rob Herman on August 5, 2020 with a URL to click on or paste into your browser.** You are requested to provide your email to answer the questions to ensure the survey doesn't get outside our club. Just answer the questions and they will automatically be sent to Rob for tallying. This survey was developed by Survey Planet and its logos and information is on the survey. SurveyPlanet is certified as a trusted site and every single HTTP request is made through a Secure Socket Layer (SSL). Your information is confidential. **Thanks for your help.**

Special Events Committee

Helloooo from the Special Events Committee!

We are still here!!! We keep working on future outings and events, even if the dates keep changing! We will get everything worked out, adjustments made, and comfort levels reached at some point and we'll be ready to rumble!!! In the meantime, let's start with the good news!

AN OUTING IS IN THE WORKS!!! Last month I mentioned possibly going to the Hanes Outlet Mall in Winston-Salem. However, there are very few stores open there and getting lunch is a bit tricky since most places only do take-out and delivery. So, we're changing the mall to the Concord Mills Mall in Concord, NC. They are open from 11 AM to 7 PM with lots of stores and plenty of air conditioning. We'll meet at the Hickory Airport no later than 9:45 AM so we can be on the road by 10 AM. It's just over an hour away so we'll get there as they are opening up. Keep in mind, the stores will be requiring masks. Carpooling will be arranged and all will be expected to comply with wearing a mask during the car ride. Watch this space for the September date!

Last month we decided to postpone the Pool Party at Michele and Vince LeGrand's, but don't lose heart. Summer temps continue well into September, and even October, so we may get it in yet. Keep that swimsuit handy!

The Catawba County History Museum tour could still be in the works for September or October. At the moment, they will be closed at least until August 7th, so maybe in September.

We would still check out restaurants around the Museum to make reservations for lunch after a tour. We would have to let them know ahead so we can be included in the 50% count if that's still applicable.

Yes, the Kentucky Derby is on for September 5th but our party is postponed until the Running of the Roses 2021. The logistics of a party with the current restrictions was just too much to work around. So, ladies, this will give you more time to work on your special, original Kentucky Derby hat! Check out ideas on line, and tune in to this year's Kentucky Derby for ideas, and then get creative! Gentlemen, we haven't forgotten you. One tradition of the Kentucky Derby is for the men to wear bow ties. We are twisting this tradition a bit because we don't feel the men need to be dressed up for our party. We will be looking for creative bow ties AND creative ways/places to wear them. Now you'll have time to work on your creation as well!

We are still hopeful that we will be able to do our Leaf Peeping Trolley trip in October. Pencil it in on your calendar for Wednesday, October 21st and we'll supply more details later.

Keep thinking of all the things you have to look forward to!
Amy Chizen, Chair, SEC

Book Club

Book Club is reading **The Island of Sea Women by Lisa See**. Mi-ja and Young-sook, two girls living on the Korean island of Jeju, are best friends who come from very different backgrounds. When they are old enough, they begin working in the sea with their village's all-female diving collective, led by Young-sook's mother. As the girls take up their positions as baby divers, they know they are beginning a life of excitement and responsibility but also danger. Despite their love for each other, Mi-ja and Young-sook's differences are impossible to ignore. *The Island of Sea Women* is an epoch set over many decades, beginning during a period of Japanese colonialism in the 1930s and 1940s, followed by World War II, the Korean War, and its aftermath, through the era of cell phones and wet suits for the women divers. Throughout this time, the residents of Jeju find themselves caught between warring empires. Mi-ja is the daughter of a Japanese collaborator, and she will forever be marked by this association. Young-sook was born into a long line of *haenyeo* and will inherit her mother's position leading the divers in their village. Little do the two friends know that after surviving hundreds of dives and developing the closest of bonds, forces outside their control will push their friendship to the breaking point.

Book Club meets every other month on the 4th Wednesday of the month, except for this November. Our next meeting is September 23, at Women's Resource Center (probably, if not we will Zoom) at 1:30 PM Cindi Williamson will facilitate our discussion. The Book Club Coordinator is Mary Bucy at mebucy@hotmail.com

Mah Jongg

Many members of the Mah Jongg group have continued to play Online Mah Jongg.

<https://realmahjongg.com/>

The photos here are what the opening page and sign in/up page looks like.

Just like in the old days - pre-Covid 19 - Newcomers' mah jongg enthusiasts play every Tuesday and Friday. But instead of playing at Pinecrest retirement center, we play in our own homes online.

And now we have a new player with us who is the reason we have such a thriving mah jongg group - Sonja Bridgwood.

Sonja learned mah jongg from her mother and has been playing for decades.

When she was a member of Newcomers, she taught about 10 of us how to play this challenging game. And those players taught other players and today we have more than 20 players on our roles.

Then five years ago, Sonja and husband Fred moved to Murrells Inlet, SC. No more games with Newcomers.

But now that we are online, Sonja has recently rejoined us. We all talk on conference calls during our game so we hear all those familiar voices, including our mentor.

Look for username hickorysonja and you will find her - ready for another game.

Look for other Newcomers, many who have used Hickory in front of their names...hickorybrenda, hickorydianne, hickorychris, hickoryhoover...(we have several Carol's..lol)...come online and join us!!

Members Helping Members

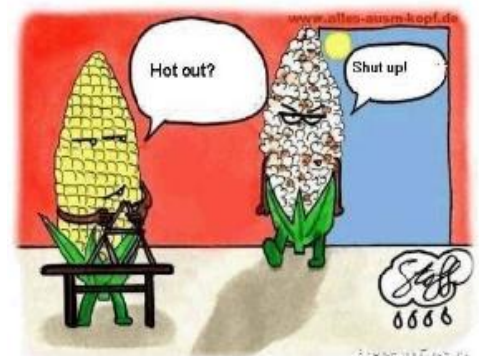

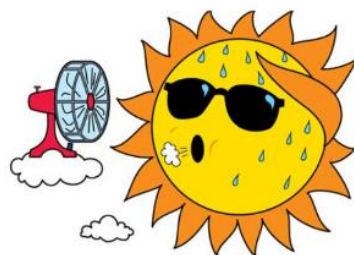

Hello everyone, My name is Sandy (Shear) Johnson and I'm the new coordinator of **Members Helping Members**. I've been a member of the club for about two years and I've enjoyed it very much. I live in Vale, about half an hour from Hickory. This club has offered many opportunities for me to meet some wonderful people who I became friends with. I served as vice president in 2018 and got married last year so I did not run for another office. I'm taking on the role of **Members Helping Members** so that I can still be involved with the club.

Members Helping Members is a way that we can help each other during **any** particular hard time. I'm not just talking about the Corona 19 virus. I am speaking about any time that someone needs help with a day-to-day activity or a once in a month activity. For example, we're just going to the store for groceries or prescriptions. Please reach out and contact me for whatever you might need. If you need someone to walk your dog or you need a ride to the doctor or if you need a house cleaner . . . anything that you might need help for, we're here for you. Just let me know what you're looking for and when you need someone and myself and other members of the club will do our best to find someone or a company or whatever you need to help you out during your circumstance. You don't have to worry we don't charge for our services sometimes some of the people that end up doing the work may charge but you'll be fully aware of that if that should occur. For the most part if it's one of our members helping another member I don't expect there'll be a charge. So, let's see what we can do to help each other in times of need. It's hard enough to be alone or sick during this period that we don't want you to have to suffer not being able to achieve something that you need done.

My phone number is 828-228-4016. Please feel free to contact me by phone, text or email at ncvalegirl@gmail.com. I look forward to speaking with you and even if it's just to say "hi."

.....since it's been sooooo **HOT** lately.....

Thank you to all of you who have been sending some of your favorite photos to share, photos of what you are doing to get thru these "social distancing" times.

Kathy Rozea sent in these beautiful pics and their captions.....

← "This is a picture of the sunset on Christmas night. It's one of the best I've ever seen in the whole world."

"Picture of Mount Rainier taken at sunset last February on our trip back from Alaska." →

From **Paige Straley**.....

"After 20 months of many varied tasks, finally today flew my little red airplane again. The Jabiru engine is an excellent improvement over the old VW -- climb performance is excellent. Slicker, too. I have to re-adjust my personal settings for landing, it doesn't want to shed speed on final! Anyway, a bit of a red letter day for me."

JP Straley

Naomi East sent in these great shots and comments...

"Floating on Lake Norman, shoe shopping for school (Just in case it opens) with grandkids and masks, hiking in NC and Tennessee, enjoying outdoor farmers market, empty pool at RB on 4th of July, (had to make reservations for 2 hour shift for pool with cleaning after every 2 hour). Lots of baking with grandkids...Crazy times!!"

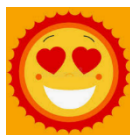

Patricia "Patsy" Lang sent in these great photos!!

"Pulled my old pathway up....going to redo it! At 77 years young!"

On a walk thru Geitner Park, I came across this lil Land Turtle. I have also been doing a "Quilt Along" from an online site and here are a few of the blocks I have made so far. There have been 12 blocks so far and I have made 3 versions of each with my "Dr. Seuss" themed fabrics!! The Quilt Along as also incorporated embroidery squares...and those were a blast from the past!! The last photo are our Hibiscus that exploded this last month!! Just Amazing!!

AMY CHIZEN shared in this great piece.....

When this pandemic quarantine began, I started the process of getting some outside areas ready to paint. Since April or May, there has been some scraping done, a lot of sanding, some washing and other prep work. So once that was done, it was too hot and humid to paint! Oh well, once it cools off, I'll be all ready to go!

I do counted cross stitch and find that getting them actually finished can take longer than the actual stitching sometimes. I like when the work is professionally framed, if it merits the expense, and sometimes will frame pieces myself. I also like to try new and creative ways to display the work. Finding just the right thing to make this all come together takes quite a bit of thinking, figuring, re-thinking and re-figuring, sometimes some painting, and sometimes some ingenuity. Included here are 3 pieces that I have stitched and recently finished in different ways.

We have been binge watching a series on CSPAN3 called

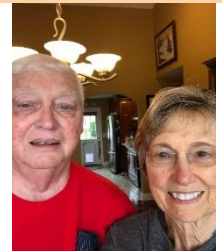

"Landmark Cases" from 2015 covering 12 Supreme Court decisions. These have included cases such as Dred Scott, Brown v. Board of Education, Miranda v. Arizona, and Roe v. Wade. We are currently recording the second series of 12 cases that they put together in 2018. It may sound dull, but we are really enjoying discovering how these cases came to be in the first place, how they were decided, and how that decision has affected America since. Now that Harlan is retired, he has found that watching an action or sci-fi movie mid-afternoon is a great way to beat the heat. It may not be high class viewing, but he enjoys it!

And now a word from George and Chris Beckom.....

Hi , Chris and I certainly appreciate all the cards and emails from Newcomers we have received due to my illness. I'm doing much better after the second hospitalization and round of treatments for myasthenia graves. We sure do miss our Newcomers friends along with cards and other activities and are looking forward to getting back together when this virus is put out of commission.

City of Hickory City Walk

Tours offered by Dianne and Paige Straley

Are you curious about City Walk and the four other hiking and bicycle trails that the City of Hickory has under construction or in design?

Club members Dianne and Paige Straley lead small group tours of the construction sites of City Walk and River Walk and the future paths of Book Walk, Aviation Walk and Old Lenoir Walk.

The Straleys walk 3 miles on City Walk each day and have talked with construction supervisors and city officials, learning a lot about the five projects. And they will share what they have learned with you.

Here's how it works. They lead a three-car caravan that visits each of the five sites. Everyone stays in their own car and hears the tour narration by cell phones in the speaker mode. Participants get out twice to see the two pedestrian bridges under construction.

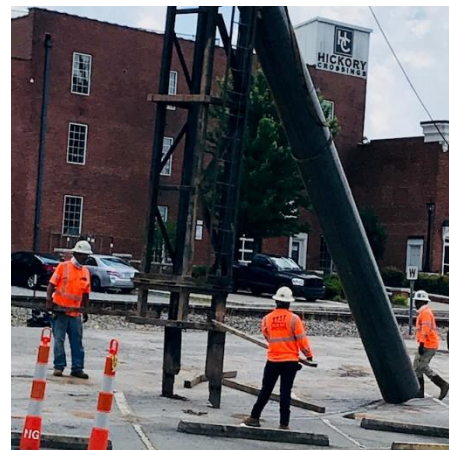

You should bring cell phones and a mask. The tour lasts one hour and is usually held at 5 pm on Sundays.

If you are interested, email Dianne at dfwhit@gmail.com.

Photo cutlines: Workers with Dane Construction prepare to lift a 50-foot piling that was later pounded into the ground as part of the abutment for the pedestrian bridge over NC 127. This iconic bridge will be part of City Walk.

On Friday, a crane lifted a prefabricated bridge over 3rd Street in downtown Hickory. It also is part of City Walk.

CHARITYmeet our new Coordinator, Nancy Geiger

Greetings!

I'm **Nancy Geiger**, the new **Charity Chairman** for the club. My husband John and I have been lucky enough to live in Hickory most of our adult lives, but just this spring finally joined the Newcomers Club.

I know there are a lot of other new members this year so I wanted to take this opportunity to tell you what the club does charity wise. Every quarter we support a different charity by sending those items from their wish list or checks and sometimes volunteering. With Covid-19 hitting us this year the club hasn't met to collect donated items or volunteer so our 2nd quarter charity, Robin's Nest, has been extended through the 3rd quarter until September 30th.

Below is information about Robin's Nest and their wish list. If you want to donate items, since we aren't meeting in the near future, you could bring them to me, or if you live in Lenoir and want to drop them off at Robin's Nest, either would be great. What might be easier for you is to write a check. And if you would like to donate that way, please mark it as a donation to Robin's Nest and mail it to our treasurer, **Kathy Rozea** at:

QUARTERLY CHARITY

Robin's Nest

Robin's Nest is a nationally accredited Children's Advocacy Center. Child victims of sexual and severe physical abuse are provided child specific services that include compassionate forensic interviews, medical examinations, counseling and advocacy services. Providing these services at a single site helps decrease the trauma these children face, speed the healing process, and increase the likelihood of conviction of offenders.
