Hello Newcomers!

Seems like May just flew by and we're already in June. I hope the summer months slow down so we can enjoy all the wonderful things a North Carolina summer offers.

May was a very exciting month for activities and fun. The Kentucky Derby Party was a blast! All the hats and bowties were fantastic! The annual picnic, although hot, was a huge success with many members enjoying great food and

fellowship. There was also an informative field trip to the Shining Hope Farm, the monthly Beer, and Wine Tasting, and so many other activities. I hope you were able to partake in these wonderful events. Our newsletter highlights the fun with some great photos.

There is many more fun events scheduled for June. Murray's Mill is scheduled for June 2nd. Check the newsletter and Newcomer's calendar for more upcoming events. Amy Chizen will keep you informed.

If you would like to start a new event, or host a one-time event, please contact the Board of Director's. New events are always welcome.

Our next **General meeting** will be held on **Wednesday, June 8, 2022**, at 10:30 AM at the Hickory Airport meeting room. After our business meeting, we will be taking a tour of the Hickory Airport Aviation Museum.

Flag Day June 14, 2022

Flag Day is observed on June 14 to honor and commemorate the adoption of the American flag which occurred on this day in 1777 by the Second Continental Congress. The United States Army also celebrates its birthday on this day. One year earlier the United States declared [Independence](#) from Great Britain with the signing of the Declaration of Independence on July 4, 1776.

On Father's Day, June 19, 2022 we celebrate our fathers with cards, gifts, brunches, and well wishes. The idea for a Father's Day started to take hold in the beginning of the 1900s when Sonora Smart Dodd wanted to celebrate her own father, who had been born in June, after hearing of the newly-minted celebration of mothers for Mother's Day. That first unofficial Father's Day celebration took place in Spokane, Washington, on June 19, 1910, but it would take another 62 years—when it was recognized as an official holiday by President Richard M. Nixon in 1972—before the holiday became a real American tradition.

In 2022, the summer solstice will take place on Tuesday, June 21. This will officially mark the beginning of this season in the Northern Hemisphere and will become the longest day of the year. However, this doesn't mean that the day will have more hours, but that there will be a bigger difference in duration between day and night.

Greetings from the Special Events Committee

We are slowing down a bit for the summer! We are aware of the heat and humidity, so, our general rule for outdoor events regarding the weather is that if it will be over 90 degrees, or more than a 30% chance of rain, the outing will not happen. If you have signed up for an activity, you will receive an email if we need to cancel. Our list of activities includes some outside adventures as well as some inside visits and happenings. Pick and choose what is to your liking and we hope to see you over the next couple months.

The **Monthly Beer & Wine Tasting** will be taking a hiatus at this point. If someone else would like to take this on, I'd be happy to assist them.

Thursday, June 2nd – Road Trip to Murray's Mill and the Covered Bridge. See flyer below.

Thursday, July 7th – Rain Date Friday, July 8th - Blueberry Picking – Who can resist these plump, juicy, sweet berries throughout the summer? Some of us freeze them and enjoy them for months to come! We are meeting at Campbell's Farm in Bethlehem at 9:00 AM. Besides Pick-Your-Own Blueberries, there's a variety of produce and specialty items to purchase. Watch your email as the date gets closer for all the details!

Tuesday, July 12th – Trip to Trader Joe's – Let's hit the road and do some shopping! Some of our members miss the Trader Joe's store they had to leave behind. Some of our members only had a rare opportunity to shop there. Unfortunately, there isn't a Trader Joe's in the Hickory area, but what's to stop us from driving about an hour to one? Let's do it! We will carpool to Winston-Salem, have lunch at a restaurant near the store, then head to Trader Joe's! Check out the attached flyer.

Saturday, July 16th – Pool and Hot Tub Party at the LeGrand's! Join us around the pool, in the pool, or just around the picnic tables for an evening of fun and relaxation. Vince and Michele LeGrand have a wonderful set-up for this event, and we are fortunate to have them open their home again this year. For those who have been before you know what a great time this is. For those of you who have missed it in the past, or are newer members, plan to be there can join a group in the warm pool, or maybe try hot tub instead! Either way you are sure to enjoy also plenty of room around the pool to sit and chat with those who have taken the plunge. As always, there are picnic tables on the deck, plenty of good food, great music in the background, and lots of folks to catch up with or get to know. Look for the details coming soon but put this event on your calendar now, so you don't miss it!

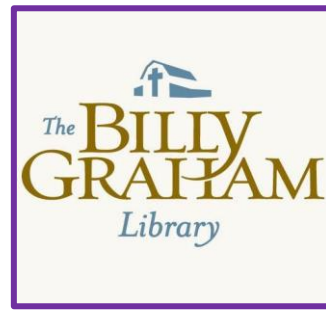

Activities being worked on for August include:

Catawba County Historical Museum tour

Billy Graham Library Trip

Wine & Paint Party

Other activities that are definite for this year include:

Tubing – September * Pontoon Party – September 15 *** Afternoon Tea – October *****

Soup/Chili Cook-off and a hike – November

If any of these activities sound like something you would be willing to help out with, please get in touch with me. We can always use help bringing items to a venue, checking folks in, accepting RSVPs, coordinating food, etc.

See you out and about!

Amy Chizen

SEC Chair

And it's already Memorial Day Weekend!! Our trip to Murray's Mill will be on Thursday, June 2nd, beginning at the Bunker Hill Covered Bridge.

IMPORTANT!!! The weather could be an issue on this one! Our policy on trips is that if the temperature is expected to be over 90 degrees, and/or there is more than a 30% chance of rain, an outdoor trip is cancelled. As of 11:30 AM today, May 28th, the predicted temperature in Catawba, NC, for that day is 92 degrees, with a 32% chance of rain. I'll keep my eye on the forecast and we'll see what happens.

Because of the nature of this activity, you are welcome to RSVP until 5:00 PM on Wednesday, June 1st. By that time, we will know if it's a go or no-go. For more information, please see the flyer below.

Take a trip back in time...

Bunker Hill Covered Bridge and Murray's Mill, Catawba, NC

On Thursday, June 2nd we will meet up at the Hickory Airport (side) parking lot at 11:00 AM with a push off time of 11:15 AM, to begin our trek back in time. Our first stop will be Bunker Hill Covered Bridge, which is one of two covered bridges left in NC. It was built in 1895 by Andrew Loretz Ramsour in Claremont, NC, and crosses Lyle Creek.

After exploring the bridge, we will enjoy a picnic lunch in the shade by the Lyle Creek where there are plenty of picnic tables to use. *Please bring your own lunch with you, including drinks.*

From there, our caravan will continue to Murray's Mill, about 10 minutes down the road. The Murray and Minges General Store is also on the property and open.

Our group has a guided tour scheduled for 1:00 PM. The tour takes about an hour. *Please note* there are stairs and there will be a lot of standing, but not much walking. The entrance fee is \$10 with the tour, or \$7 without, and veterans are always free. Preserved intact are the 1913 mill itself, the 1890s Murray & Minges General Store, the 1880s Wheathouse, and the 1913 John Murray House, furnished to the period, and numerous outbuildings. Run by three generations of the Murray Family, who closed operations in 1967, this is the last milling complex in the county, meticulously preserved and interpreted by the Catawba County Historical Association since 1980 when restorations began.

If you are up for a walk, there are 3 trails that wind around the area. None are more than 1 mile. You may want to try these out!

To wrap up our day, we'll take advantage of the ice cream parlor in the General Store! Enjoy an ice cream cone, the shaded seats, and the calming sound of the waterfall. What a delightful way to end the trip!

We should return to the Hickory Airport between 3:30 PM and 4:00 PM.

Please RSVP to chizenamy@gmail.com by 5:00PM Wednesday, June 1st, and let me know if you would be willing to be a driver, and how many could ride with you.

We are looking forward to sharing this slice of NC history with those of you who have recently moved to this area. If you have been here a while, and have maybe visited these sites already, you are welcome, too! It is a very quiet and peaceful spot to share with new friends.

Stitch and Bitch will be at Deb Nielsen's home

Friday, June 3rd at 10:00 AM.

2332 25th Ave Ct NE Hickory, NC

Please note that Deb has two cats in her home, and she wants to let everyone know just in case anyone has allergies. The cats will be out on the sun porch and not in the house. Coffee and iced tea (not sweet) and bottled water will be available. Snacks will also be available for everyone.

Please let Deb know if you will be able to attend.

Deb's phone # is 610-762-0597.

No extra chairs will be needed.

CHARITY REPORT

The Outreach Center
Empowering through education and opportunity

It's hard to believe we are in our 3rd month of the 2nd Quarter already! That means we just have June to continue to help the Outreach Center in Morganton.

Please consider cleaning out some more closets, drawers and the garage and bringing items for their thrift shop to the June General Meeting. They take pretty much anything! (If you can't be at the meeting, you can give your items to any board member, and we'll get them to the shop!)

I'm also planning another volunteer day there on the last Tuesday of June. It was fun and rewarding for those of us who participated in April – so email me if you are interested and I'll also have a sign-up at the General Meeting and send out a reminder email before that day.

If any of you want to go in smaller groups or even on your own – you can show up any Tuesday and tell them, you are with Newcomers, and they'll stick a name tag on you and show you what to do. Or go anytime Monday through Saturday between 9 am and 5 pm and help in the Thrift Shop. Again, just let them know you are with us! (And send me an email telling me about it!)

Here's a little about the organization again in case you forgot from last month's newsletter:

"The Outreach Center is a community-based, 501 (c) (3), nonprofit, relief organization serving Burke and its surrounding counties in Western North Carolina through our hunger relief, job training, education, and arts programs.

Our Mission is to empower children and their families to break the cycle of generational poverty.

Our Vision is to have a community where every individual has the opportunity to improve his or her quality of life through motivation, education, cultural opportunities, and enrichment experiences."

The Food Distribution occurs every Tuesday from 10 am until 5 pm or until they run out of food for that day.

The New2You thrift store is open Monday – Saturday from 9 am until 5 pm.

The physical address is The Outreach Center, 510 E. Fleming Drive, Morganton, NC 28655

Please call with any questions contact me at ng0425@gmail.com.

Newcomers Charity Chair

Charity is accepting ones differences, weaknesses, and shortcomings, having patience with someone.

Or resisting the impulse to become offended when someone doesn't handle something the way we would have hoped. Charity is refusing to take advantage another's weakness & be willing to forgive someone who has hurt us. Charity comes when we are kind to each other. When we don't judge or categorize someone else, and when we simply give each other the benefit of the doubt or remain quiet.

Newcomers Annual Picnic at The Stump

BOOK CLUB

The next meeting of the Book Club will be held on Wednesday, July 27 at 1:30 PM at the Women's Resource Center in Hickory.

The book we will be discussing is **Caste: The Origins of Our Discontents** by Isabel Wilkerson:

"As we go about our daily lives, caste is the wordless usher in a darkened theater, flashlight cast down in the aisles, guiding us to our assigned seats for a performance. The hierarchy of caste is not about feelings or morality. It is about power—which groups have it and which do not."

In this brilliant book, Isabel Wilkerson gives us a masterful portrait of an unseen phenomenon in America as she explores, through an immersive, deeply researched narrative and stories about real people, how America today and throughout its history has been shaped by a hidden caste system, a rigid hierarchy of human rankings.

Beyond race, class, or other factors, there is a powerful caste system that influences people's lives and behavior and the nation's fate. Linking the caste systems of America, India, and Nazi Germany, Wilkerson explores eight pillars that underlie caste systems across civilizations, including divine will, bloodlines, stigma, and more. Using riveting stories about people—including Martin Luther King, Jr., baseball's Satchel Paige, a single father and his toddler son, Wilkerson herself, and many others—she shows the ways that the insidious undertow of caste is experienced every day. She documents how the Nazis studied the racial systems in America to plan their out casting of the Jews; she discusses why the cruel logic of caste requires that there be a bottom rung for those in the middle to measure themselves against; she writes about the surprising health costs of caste, in depression and life expectancy, and the effects of this hierarchy on our culture and politics. Finally, she points forward to ways America can move beyond the artificial and destructive separations of human divisions, toward hope in our common humanity.

Beautifully written, original, and revealing, Caste: The Origins of Our Discontents is an eye-opening story of people and history, and a reexamination of what lies under the surface of ordinary lives and of American life today.

The Book Club meets every other month on the 4th Wednesday of the month except for November when we meet on the third Wednesday. The Book Club coordinator is Laura Moran, moran.laura@att.net. The rest of the books for 2022 are:

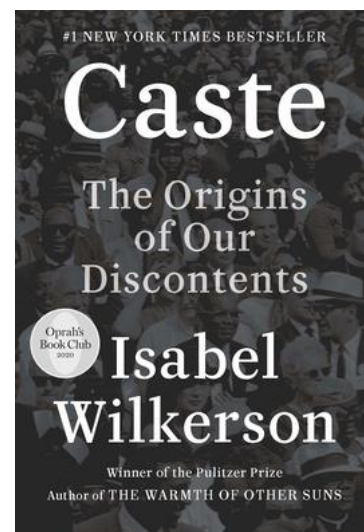

Sept 28: A Good Neighborhood by Theresa Anne Fowler

Nov 16: Oona Out of Order by Margarita Montimore

July 27: Caste: The Origin of our Discontent by Isabel Wilkerson

Sept 28: A Good Neighborhood by Theresa Anne Fowler

Coffee beans come from a fruit.

Although they've always been called beans, they are seeds that come from a cherry-like berry that grows on a bush. At the center of the fruit is the pit, which is what we roast to make coffee.

Coffee was originally chewed

While most of us are used to sipping it, coffee was originally eaten by African tribes centuries ago. According to historians, coffee berries were ground and then mixed with animal fat to create energy-rich snack balls.
